

When children draw or paint...

...they are learning to write.

When they arrange blocks...

...they are learning to count.

When they sing...

...they are learning to improve their language and reading skills.

A place where the ordinary meets the extraordinary...

...where exploration and creativity equal learning.

A nonprofit multi-arts facility committed to fostering creativity, cultural awareness and a strong community connection.

Tell me and I'll forget.
Show me and I may remember.
Involve me and I'll understand.
- Chinese proverb

Many things we need can wait. The child cannot. Now is the time his bones are formed, his mind developed. To him we cannot say tomorrow, his name is today.

- Gabriela Mistral
