

When children draw or paint ...

... they are learning to write.

When they arrange blocks

... they are learning to count.

When they sing ...

... they are learning to improve their language and reading skills.

A PLACE WHERE THE  
ORDINARY MEETS THE  
EXTRAORDINARY ...

... WHERE EXPLORATION  
AND CREATIVITY EQUAL  
LEARNING.

### Why Creative Arts Classes

- Exploratory learning
- Partner with parents
- Immersion in the arts
- Hands-on experiences
- Learning is child-centered
- Enhance creativity
- Imagination in action

Many things we need can wait. The child cannot. Now is the time his bones are formed and his mind developed. To him, we cannot say tomorrow, his name is today.

-Gabriela Mistral
